President's Bulletin No. 8 s. 2007

07 November 2007

SUBJECT: Appointment of Dr. Flordeliza Clemente Reyes as the new College's Executive Vice-President

I am pleased to announce that Dr. Flordeliza Clemente Reyes has accepted the Board of Directors' offer to assume the position of Executive Vice-President effective 05 November 2007.

As Executive Vice-President, she will assist the undersigned in the overall effective and efficient management and delivery of the Institution's programs and services. She will coordinate its academic, administrative, and development affairs.

She will concurrently serve as the Vice-President for Academics and Research.

Dr. Reyes completed her B.S. Education, Major in Mathematics, Cum Laude at the Centro Escolar University, Manila, where she also earned her MS in Mathematics Education and Ph.D. in Educational Management. She took academic units in Ph.D. in Counseling Psychology at De La Salle University.

She has an outstanding track record in educational leadership, school management, supervision of instruction, and research gained through years of hands-on professional experience and continuing education. She is a Japan Foundation Senior Research Fellow and a Freeman/Salzburg Seminar Fellow on Educational Leadership. She has conducted seminar-workshops and has lectured extensively under the DLSU's Distinguished Francisco Ortigas Professorial Chair in Education for Teacher Training, the Tan Chi King Professorial Chair in Education and the Don Francisco Professorial Chair in Teacher Education. She has authored four books, written and published articles on teaching, testing, evaluation, and curriculum development.

Prior to joining SMCL, she served De La Salle University for 21 years as professorial lecturer, thesis/dissertation adviser and oral examiner. She occupied various positions as Chair of the Educational Management Department, Director of the Institutional Evaluation and Testing Office, the Faculty Resource Development Office, Summer Institute of Graduate Studies and as Dean of the DLSU- College of St. Benilde, Manila. She is the Founding President of the National Council of Educational Innovators and the current President of the Quality Educational Resource Development Foundation,. She is a member of Phi Delta Kappa International Honor Society in Education, and the Pi Gamma Mu International Honor Society in Social Science. She is a reviewer of professional journals including the Asia Pacific Education Review, a refereed international journal based in Seoul National University.

Known for being a results-driven, passionate and committed professional, I am confident that under her leadership our aspiration to transform and balance the culture of the academe as a community of scholars and a corporate community will hopefully become a reality.

LOURDES ALMEDA -SESE, Ed.D.
