SERVICE PROJECTS & ACTIVITIES

The Club has been working very hard for the past two years. Because the president is the First Lady of Antipolo City, the City government has been coordinating with the Antipolo Zontians regarding its pet projects among which are the following:
(a) medical mission and seminar on breast examination
(b) assistance to senior citizens
(c) tree planting activities
(d) livelihood projects
(e) literacy program
(f) assistance to Gawad Kalinga Center of Antipolo
(g) gift-giving to the indigent - after typhoons, and during the Christmas season.

ZC of Antipolo is continuously making waves for the upliftment of women and for the improvement of their status.

The Zontians dispensing medicine during a medical mission.
