The Club, now in its 34th year of existence, has sustained its thrust for the advancement of the status of women, such as its scholarship program, skills training, lectures, other service-related programs, and its regular medical services for the elderly, conducted in the Zonta Building at Military Cut-Off, Baguio City. The Zonta Baguio story began with the invitation of Trinidad F. Legarda to some civic-minded women leaders to extend the Zonta ideals to the Baguio community. And so fifteen women professionals and executives in business were enjoined for membership and on February 3, 1969, Zonta Club of Baguio came into existence with Dra. Puring Claridad as its charter president. At present, the club has 35 active members who meet every last Tuesday of the month at 4 P.M. at the Zonta building. Three of the members have served Zonta as Past Area Directors. They are Nimia Concepcion, Lourdes Gaskell and Margarita Otero.
