SERVICE PROJECTS & ACTIVITIES

The biggest accomplishment of the Zonta Clubs of Cebu 1 and 2 is the construction of the first Women and Children Protection Center in Cebu Province. Regular seminars on gender sensitivity are conducted for the staff and all club members who act as volunteer workers there. The Club’s biggest source of financial support for the WCPC is the Zonta Cup Golf tournament. Among the Club’s service projects and activities are operating two day care centers, holding livelihood programs for mothers of children presently enrolled there, and microfinancing to promote entrepreneurship. The advocacy campaign against drug addiction, domestic violence and child abuse is done hand-in-hand with civic oriented groups. The Club yearly selects 5 to 6 college scholars with funding coming from the TanChan Foundation.
