CLUB MEMBERS

SERVICE PROJECTS & ACTIVITIES

The Club continues its Zonta Elderly project which was started in 1982 by Charter President Emma Kaiser. The project provides support and assistance to the elderly. It holds a monthly program, with socials, games, birthday celebrations, gifts, and cash prizes. Once a year, it sponsors an outing to a beach resort of their choice. Twice a year, it gives medical and dental services to these elderly who now number 85.

The Club sponsored livelihood training for women at the Center for Substitute Home Care for Women in Urayong Bauang, La Union, and launched a pre-school education program which graduated 25 disadvantaged children in Barangay Santiago, San Fernando, La Union. Last Christmas, the Club gave gifts to indigent families. Members financed these club activities as it does not solicit for the endeavors. The spirit of commitment and dedication to serve is the driving force of the club. The members are being challenged by their president to share talent, time, effort, resources and patience for the Zonta Club of La Union to succeed in its mission.
