SERVICE PROJECTS & ACTIVITIES

The Club’s flagship project is the Day Care Center at 1341 Anacleto St., Sta. Cruz, Manila. There are 32 pre-school children enrolled. They are also the recipients of the annual Christmas gift-giving. This Multi-Purpose Center is also the venue for conducting special classes in reflexology for residents of Barangay 333. Brgy. Chairwoman Laura is among the graduates who are very happy that being a reflexologist adds to their income.

The Club also forged a sisterhood with the Zonta Club of La Union when they visited that city.
